Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
1. Establishing a systematic process of full re-opening, including necessary social distancing					
1.1 Re-engaging pupils in learning					
The needs of vulnerable pupils are a reduced priority within schools when they reopen fully		<ul style="list-style-type: none"> Plans in place to meet the learning needs of children in these groups. Pastoral and SEND support deployed wherever possible to support prioritised pupils. Efforts continue to improve the attendance of vulnerable pupils and those from disadvantaged backgrounds. 		<ul style="list-style-type: none"> HT to ensure appropriate provision is made for pupils in priority groups via the year group hubs. HT to deploy staff to follow up with vulnerable and disadvantaged pupils not attending 	
Some pupils will find the return to school difficult due to previous poor attendance, SEND, new to the school or have not engaged with learning during the closure		<ul style="list-style-type: none"> Mechanisms put in place to enable staff to flag pupils displaying signs of finding the return difficult via Head of Year (HOY) phone calls. IEPs and ECHPs are reviewed by school SENCOs where necessary to identify what provision can be provided Pastoral and SEND support deployed to work with identified individuals or groups of pupils 		<ul style="list-style-type: none"> HT to ensure mechanism for reporting concerns is put in place HT to ensure IEPs and ECHPs have been reviewed where necessary to account for COVID-19 issues HT to ensure staff are deployed to support work with individual pupils 	
Pupils have missed key content during lockdown, preventing them progressing in their learning		<ul style="list-style-type: none"> Missed content identified and arrangements in place to ensure this can be covered Formative assessments planned to inform modification of the curriculum as required 		<ul style="list-style-type: none"> HT to ensure that appropriate plans are in place 	
1.2 Net capacity					
Available capacity of the school is insufficient when social distancing guidelines are applied		<ul style="list-style-type: none"> DfE guidance states that social distancing should now be observed as far as possible but is not mandatory for pupils in the same bubble. DfE guidance states that bubbles can comprise entire classes or year groups where necessary. Agreed new timetable and arrangements confirmed for each class or year group as per September arrangements 		<ul style="list-style-type: none"> HT to ensure new timetable and arrangements in place as per September arrangements 	
1.3 Organisation of teaching spaces					
Classroom sizes will not allow adequate social distancing		<ul style="list-style-type: none"> DfE guidance states that social distancing should now be observed as far as possible but is not mandatory for pupils in the same bubble. DfE guidance states that bubbles can comprise entire classes or year groups where necessary. 		<ul style="list-style-type: none"> HT to make arrangements for new classes and timetables as per September arrangements SBM to arrange for site staff to reorganise teaching spaces in 	

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
		<ul style="list-style-type: none"> Classrooms re-modelled, with chairs and desks facing forward wherever possible and with ideally a 2m space between the teacher and pupils Staff reminded to minimise time spent within 1m of a pupil as far as possible Clear signage displayed in classrooms reinforcing any social distancing rules to be adhered to and the need for minimising contact outside the bubble as far as possible. 		<p>response to any concerns raised by staff</p> <ul style="list-style-type: none"> HT to communicate arrangements to staff SBM to arrange updated signage for each teaching space where necessary 	
Large shared spaces (e.g. hall) are used which increases transmission risk		<ul style="list-style-type: none"> Large shared spaces to be cleaned thoroughly between use by different group/bubbles e.g. dining rooms Large gatherings avoided, with technological solutions used as an alternative or stringent social distancing in place if gatherings are essential. Arrangements in place to enable social distancing between bubbles. 		<ul style="list-style-type: none"> HT to ensure use of large spaces is restricted HT to ensure staff understand rules relating to large gatherings HOY to pre-record / deliver live suite of assemblies to share in classrooms. 	
1.4 Availability of staff and class sizes					
The number of staff who are available is lower than that required to teach classes in school		<ul style="list-style-type: none"> The health status and availability of every member of staff is known and regularly (at least weekly and in the event of any notified changes) updated to MIS systems so that deployment can be planned with leaders. Use of staff who are self-isolating but who are well enough to plan learning to deliver live lessons for pupils across year groups/subjects where possible. Use of staff who are self-isolating to update and review online learning Deployment of supply staff where appropriate. Flexible and responsive deployment of teaching assistants and pastoral staff to supervise and support classes. Full use made of testing to inform staff deployment. A blended model of home learning and attendance at school utilised until staffing levels improve. If there are insufficient staff or spaces to safely maintain the required small groups, partial closures enacted with switch to remote learning where possible Contingency arrangements are in place for staff who may have to quarantine when returning from abroad 		<ul style="list-style-type: none"> HT to reiterate to staff the importance of complying with reporting procedures SBM to ensure Bromcom is updated regularly with details of staff absent or self isolating, along with dates of actual/expected return. HT to ensure guidance is issued to supply staff on COVID-19 protocols to be observed HT to encourage staff to make use of testing to confirm COVID-19 infection and ensure they notify school of the outcome HT to plan staff deployment 	

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
1.5 The school day					
<p>The start and end of the school day create risks of breaching social distancing guidelines</p>		<ul style="list-style-type: none"> • Start and departure times staggered (as per the re-opening plan). • The number of entrances and exits to be used is maximised – reducing the number of adults or children using any one entry /exit point. Reminders to be shared during week 1. • Different entrances/exits used for different groups as far as possible. • Staff and pupils briefed and signage provided to identify which entrances, exits and circulation routes to use. • Plans in place for managing the movement of pupils and staff on arrival to avoid any groups of people congregating. • Floor markings implemented and visible where necessary to manage any queuing. • Parents asked to pre-book an appointment if coming onto site and to restrict this to one adult per child/family • Parents asked to respect social distancing guidelines (and ensure their children do likewise) when waiting to drop off/collect children • Parents asked to communicate with school staff via telephone or email, rather than face-to-face at drop off/collection times 		<ul style="list-style-type: none"> • HT to ensure a documented plan is in place setting out how the school will operate • HT to communicate with parents about arrangements for start and end of school • SBM to ensure necessary signage and floor markings are ordered and in place 	
1.6 Planning movement around the school					
<p>Movement around the school risks breaching social distancing guidelines</p>		<ul style="list-style-type: none"> • Circulation plans reviewed and revised. • One-way systems in place where possible. • Corridors divided where feasible. • Appropriate signage in place to clarify circulation routes. • Pinch points and bottle necks identified and managed accordingly. • Movement of pupils around school minimised as much as possible, with pupils staying in classrooms and staff moving round where feasible. • Pupils regularly briefed on the importance of observing social distancing guidance between bubbles. • Appropriate duty rota and levels of supervision in place. 		<ul style="list-style-type: none"> • HT to ensure a documented plan is in place setting out how the school will operate • HT to communicate with pupils and parents about arrangements for movement around school • SBM to ensure necessary signage and floor markings are ordered and in place 	

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
1.7 Provision					
Pupils fall behind in their learning during school closures or self-isolation and achievement gaps have widened	High	<ul style="list-style-type: none"> • Home and remote learning continuing and calibrated to complement in-school learning as far as possible for pupils unable to access school site • Curriculum designed to support children transitioning into school and to reduce anxiety (an ‘essentials’ curriculum) • Plans to use intervention, when appropriate, in place for those pupils who have fallen behind in their learning • Plans to access laptop devices via DfE scheme which will be available for disadvantaged children in certain year groups who are affected by disruption to face to face education at their school, or have been advised to shield because they are clinically extremely vulnerable. 	Yes	<ul style="list-style-type: none"> • HT to ensure that appropriate provision is in place to minimise and, where possible, reduce achievement gaps • HT to develop longer-term plan to support closing gaps for pupils • HT to stay abreast of government guidance around accessing laptop devices 	Medium
Arrangements for out-of-classroom provision such as internal exclusion do not allow for adequate social distancing	High	<ul style="list-style-type: none"> • Review of typical out of classroom provision to determine what can continue with adequate social distancing in place and how this can be achieved – solution achieved via year group support hubs to ensure bubbles do not mix. • Alternative solutions put in place where social distancing is not possible 	Yes	<ul style="list-style-type: none"> • HT to review arrangements for out of classroom provision 	Medium
Pupils accessing offsite or alternative provision are at increased risk of COVID-19	High	<ul style="list-style-type: none"> • Due diligence undertaken on all alternative provision or offsite providers to ensure that they have adequate measures in place to support social distancing and hygiene measures • Reminders issued to pupils and parents about public transport requirements • Any transport arranged by the school to be assessed for compliance with social distancing and hygiene measures 	Yes	<ul style="list-style-type: none"> • HT to ensure all alternative provision providers are reviewed to ensure measures are in place – Behaviour Manager undertaking weekly visits. 	Medium
1.8 Staff workspaces and staffrooms					
Staff rooms and offices do not allow for observation of social distancing guidelines	High	<ul style="list-style-type: none"> • Staff rooms and offices reviewed and appropriate configurations of furniture and workstations put in place to allow for social distancing, or rotas established where reconfiguring spaces is impractical • Staffing levels maintained at the minimum required, taking into account operational needs resulting from more pupils being in school • Anti-bacterial spray and wipes made available 	Yes	<ul style="list-style-type: none"> • SBM to ensure that all staff areas have been assessed and appropriate measures put in place • SBM to ensure that sufficient hygiene supplies are ordered and distributed • SBM to ensure that sufficient signage is provided in staff areas to 	Medium

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
		<ul style="list-style-type: none"> Staff briefed on the use of these rooms. Hand washing and social distancing reminders in place Staff reminded regularly of the importance of maintaining social distancing in areas where only other adults will be present, e.g. offices, staffrooms, kitchenettes 		<ul style="list-style-type: none"> remind staff about hygiene and social distancing HT to brief staff on social distancing arrangements 	
1.9 Managing the school lifecycle					
Limited progress is made with the school's calendar and workplan because of COVID-19 measures		<ul style="list-style-type: none"> School calendar and workplan for the Spring 2 and Summer term rationalised. Consideration given to how technological solutions can be used to support achievement of necessary activities 		<ul style="list-style-type: none"> HT to review the calendar for the Spring 2 and Summer Term and consider rationalisation where possible 	
1.10 Governance					
Trust Board members are not fully informed or involved		<ul style="list-style-type: none"> Trust Board regularly updated on actions being taken Risk assessments shared with Trustees via Teams Online meetings to continue until guidance changes 		<ul style="list-style-type: none"> COVID-19 to remain standing Trust Board agenda item for 2020-2021 academic year Risk and Audit Committee to consider COVID-19 response as appropriate in committee meetings CEO to update Chair of Trustees regularly 	
Academy Council members are not fully informed or involved		<ul style="list-style-type: none"> Academy Councils regularly updated on actions being taken Risk assessments shared with Governors via Teams Online meetings to continue until guidance changes 		<ul style="list-style-type: none"> COVID-19 to remain standing Trust Board agenda item for 2020/21 academic year HT to update Chair of governors regularly 	
1.11 Policy review					
Existing policies on safeguarding, health and safety, fire evacuation, medical, behaviour, attendance and other policies are no longer fit for purpose in the current circumstances		<ul style="list-style-type: none"> All relevant policies revised to take account of government guidance on social distancing and COVID-19 and its implications for the school. Staff, pupils, parents and governors/trustees briefed accordingly. 		<ul style="list-style-type: none"> HT to ensure that policy owner reviews policy to take account of COVID-19 HT to ensure any changes are communicated to relevant stakeholders 	
1.12 Communication strategy					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
Key stakeholders are not fully informed about changes to policies and procedures due to COVID-19, resulting in risks to health		<ul style="list-style-type: none"> • Communications plans for the following groups in place: <ul style="list-style-type: none"> ○ Staff ○ Pupils ○ Parents and carers ○ Trustees ○ Academy Councils 		<ul style="list-style-type: none"> • HT to consider how to communicate key messages to stakeholders 	
1.13 Staff induction and CPD					
Staff are not trained in new procedures, leading to risks to health		<ul style="list-style-type: none"> • Updates to staff handbook issued to all staff prior to full reopening including changes to: <ul style="list-style-type: none"> ○ Infection control procedures ○ Absence reporting procedures ○ Fire safety and evacuation procedures ○ Constructive behaviour management ○ Safeguarding ○ Risk management 		<ul style="list-style-type: none"> • HT to ensure that operational procedures specific to their school are updated • HT to ensure that staff are reminded of changes to procedures on first day back in March 	
New staff are not aware of policies and procedures prior to starting at the school		<ul style="list-style-type: none"> • Induction programmes have taken place for all new staff prior to them starting. • Updates to the staff handbook issued to all new staff prior to them starting. • Training sessions for new staff are recorded and can be issued to new starters during the year 		<ul style="list-style-type: none"> • HR to liaise with SBM regarding changes to induction arrangements 	
Staff returning to work from maternity, paternity or long-term absences are not aware of the procedures prior to returning to school		<ul style="list-style-type: none"> • All staff returning to school for the first time since lockdown or after a prolonged period of absence are provided with a COVID-19 induction similar to that given to staff new to the school 		<ul style="list-style-type: none"> • HR to notify schools when staff on long term absence are due to return • HT to ensure that arrangements are in place to deliver induction to returning staff 	
1.15 Risk assessments					
Risk associated with wider reopening are not considered and addressed		<ul style="list-style-type: none"> • Comprehensive general risk assessment for wider reopening undertaken 		<ul style="list-style-type: none"> • CEO to ensure that HT in schools are undertaking actions identified in the risk assessment 	
Risks are not comprehensively assessed in every area of the school in light of COVID-19, leading to breaches of social distancing and hygiene guidance.		<ul style="list-style-type: none"> • Risk assessments for school activities are reviewed and updated to take account of COVID-19 • Mitigation strategies are put in place and communicated to staff covering delivery of aspects of the curriculum, especially for practical subjects and where shared equipment is used. 		<ul style="list-style-type: none"> • SBM & R&C Officer to ensure relevant risk assessments are reviewed and updated to reflect COVID-19 transmission risk 	

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
1.16 Pupil attendance					
Parents are reluctant to send their child to school due to perception of COVID-19 risks	Red	<ul style="list-style-type: none"> • Details of the arrangements for social distancing, hygiene and infection control are communicated to parents / carers in advance • Parents / carers are made aware of the benefits of their children returning to school and the potential negative effects continuing absence from school may have, along with the fact that attendance is mandatory • Individual discussions are held with parents unwilling to send their child to school to establish reasons and possible solutions • Liaison takes place with other agencies as appropriate • Fines for absence are implemented as a last resort • DfE amended attendance codes to be used for those students absent with COVID-related symptoms/self isolating 	Yellow	<ul style="list-style-type: none"> • HT to communicate arrangements for full re-opening and measures in place to parents via appropriate channels • HT to ensure suitably-briefed staff are available to hold discussions with reluctant parents • HTs to ensure attendance staff aware of amended DfE attendance codes 	Yellow
1.17 Further local or national lockdowns					
School is required to close again to some/all pupils as a result of local or national lockdowns	Red	<ul style="list-style-type: none"> • Consideration is given to lessons learnt from previous lockdowns and plans reflect these • Staff are prepared to return to home working at short notice • Arrangements are in place to transition some or all pupils back to home learning as seamlessly as possible • Rotas can be established quickly to support vulnerable and key worker children if required to remain in school 	Green	<ul style="list-style-type: none"> • HT to ensure that arrangements are in place to revert to home learning/working at short notice 	Green
2. Investing in safety equipment and health and safety arrangements to limit the spread of COVID-19					
2.1 Cleaning					
Cleaning capacity is reduced so that ongoing cleaning of surfaces are not undertaken to the standards required	Red	<ul style="list-style-type: none"> • Return-to-work plan for cleaning agreed prior to full reopening. • Revised daily cleaning plan agreed and implemented which minimises the spread of infection. • Working hours for cleaning staff increased / adjusted if necessary. 	Green	<ul style="list-style-type: none"> • SBM to direct cleaning teams in accordance with individual school plan • SBM to develop updated cleaning plan and document this 	Green

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
		<ul style="list-style-type: none"> Frequent cleaning throughout the day in key areas to continue once re-open. 		<ul style="list-style-type: none"> SBM to consider need for additional staffing hours and adjust budget accordingly 	
Appropriate standards of cleanliness sufficient to reduce the spread of infection are not maintained in staff areas		<ul style="list-style-type: none"> Kitchenettes and staff food preparation areas cleaned regularly, particularly high contact areas such as kettles, appliance handles and taps Sanitizer spray or wipes provided in all kitchenettes for staff to use prior to using the appliance. Paper towels provided in all staff areas containing sinks Dishwashers used for cleaning crockery where available; otherwise crockery and utensils to be washed in hot soapy water and left to air dry Use of tea towels/hand towels avoided – any towels in use changed daily and laundered in accordance with cleaning guidance Mop heads laundered weekly Implement cleaning log to record frequency of cleaning for high-traffic areas such as toilets and communal spaces 		<ul style="list-style-type: none"> SBM to direct cleaning teams in accordance with individual school plan SBM to secure sufficient supplies of cleaning materials HT to communicate new arrangements to staff 	
Appropriate standards of cleanliness sufficient to reduce the spread of infection are not maintained in pupil areas		<ul style="list-style-type: none"> Revised cleaning plan agreed and implemented which minimises the spread of infection. Working hours for cleaning staff increased or amended if necessary. Schedule frequent cleaning of resources shared within groups. Prevent access to equipment if it cannot be adequately cleaned between different groups of pupils Implement cleaning log to record frequency of cleaning for high-traffic areas such as toilets and communal spaces 		<ul style="list-style-type: none"> SBM to direct cleaning teams in accordance with individual school plan HT to communicate new arrangements to staff 	
2.2 Hygiene					
Pupils and staff are unable to wash hands regularly and frequently due to lack of handwashing facilities		<ul style="list-style-type: none"> Identify key locations for siting of hand sanitizer stations to ensure hands can be cleaned regularly during the school day Provision of hand sanitizer at key locations as an alternative to handwashing, where hand washing facilities are not immediately available 		<ul style="list-style-type: none"> SBM to identify where sanitizer needs to be located and procure sufficient supplies 	

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
Inadequate supplies of soap and hand sanitiser mean that pupils and staff do not wash their hands with sufficient frequency		<ul style="list-style-type: none"> • Collation of master list of alternative suppliers to use if one supplier is out of stock • Monitoring arrangements in place to ensure that supplies of soap, hand towels and sanitiser are maintained throughout the day. 		<ul style="list-style-type: none"> • SBM to determine where additional supplies are required • SBM to ensure arrangements in place to monitor supplies and top-up as necessary 	
Pupils and staff forget to wash their hands regularly and frequently		<ul style="list-style-type: none"> • Staff remind pupils of the need to wash / sanitise their hands regularly and frequently. • Staff and pupils given regular opportunities to wash their hands / sanitise in accordance with guidance including on arrival at school, before eating, after sneezing or coughing • Posters/signage reinforces the need to wash / sanitise hands regularly and frequently. • School leaders monitor the extent to which handwashing / sanitising is taking place on a regular and frequent basis. 		<ul style="list-style-type: none"> • HT to communicate arrangements to staff, parents and pupils • SBM to assess where signage should be located • SBM to ensure that sufficient signage is provided 	
Pupils do not use hand sanitizer appropriately		<ul style="list-style-type: none"> • Use of hand sanitizer is supervised where appropriate (e.g. younger pupils or those with additional needs where there is a risk of misuse such as ingestion) 		<ul style="list-style-type: none"> • HT ensure relevant staff are aware of the need to provide supervision when using sanitizer 	
Pupils and staff contaminate their hands by coughing or sneezing, which then spreads the virus		<ul style="list-style-type: none"> • Pupils and staff regularly reminded to maintain good hand hygiene, including avoiding touching eyes/nose/mouth with unwashed hands and coughing/sneezing into a tissue/crook of arm • Provision of tissues in all classrooms, offices and meeting spaces • Provision of sufficient bins to meet the needs of staff and pupils in classrooms, offices and meeting spaces 		<ul style="list-style-type: none"> • HT to ensure regular messages about good hand hygiene are shared • SBs to procure sufficient supplies of tissues • SBM to identify requirements and order sufficient bins 	
Visitors bring the virus into school and contaminate areas they visit		<ul style="list-style-type: none"> • Provision of hand sanitizer at reception areas with all visitors asked to use sanitizer prior to entering school buildings • Reminder given to visitors on arrival of importance of maintaining good hygiene practices while in school 		<ul style="list-style-type: none"> • SBM to ensure sufficient supplies are available • SBM to ensure Reception staff understand new visitor procedures 	
2.3 Testing and managing symptoms					
Testing is not used effectively to manage staffing and mitigate risks		<ul style="list-style-type: none"> • Guidance on getting tested shared with staff and parents as part of the reopening process. • Staff and parents asked to notify school of the result of any test undertaken 		<ul style="list-style-type: none"> • HT communicate arrangements to staff and parents 	

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
		<ul style="list-style-type: none"> • Staff are offered bi-weekly lateral flow tests to be undertaken at home • Pupils offered three lateral flow tests in school on return in March, with subsequent offer of bi-weekly lateral flow tests to be undertaken under parental supervision at home once in-school tests have been completed • Parents/carers or those in support/childcare bubbles with school-aged children have access lateral flow tests to be undertaken at home via government scheme 			
Infection transmission within school due to staff/pupils/visitors (or members of their household) displaying symptoms		<ul style="list-style-type: none"> • Robust collection and monitoring of absence data, including tracking return to school dates • Procedures in place to deal with any pupil, staff or visitors displaying symptoms at school. This includes the use of testing for both staff and pupils and appropriate action, in line with government guidance, should the tests prove positive or negative. • Pupils, parents and staff made aware of what steps to take if they, or any member of their household, display symptoms. • Record of any COVID-19 symptoms in staff, pupils or visitors reported to the Trust. 		<ul style="list-style-type: none"> • SBM to ensure Bromcom is updated regularly with details of staff absent or self isolating along with dates of actual/expected return • HT to establish arrangements for parents reporting pupil absence due to COVID-19 • HT to communicate arrangements 	
Staff, pupils and parents are not aware of the school's procedures (including on self-isolation and testing) should anyone display symptoms of COVID-19		<ul style="list-style-type: none"> • Clear communications provided to staff, pupils and parents informing them of current government guidance on the actions to take should anyone display symptoms of COVID-19 and how this will be implemented in the school. • Guidance explained to staff and pupils/parents as part of the wider reopening process. • Any updates or changes to this guidance communicated in a timely and effective way to all stakeholders. • DfE amended attendance codes to be used for those students absent with COVID-related symptoms/self isolating 		<ul style="list-style-type: none"> • HT to ensure staff, parents and pupils are aware 	
Staff, pupils and parents are not aware of the school's procedures should there be a confirmed case of COVID-19 in the school		<ul style="list-style-type: none"> • Staff, pupils and parents provided with clear communications informing them of current government guidance on confirmed cases of COVID-19 and how this will be implemented in school. • Any updates or changes to this guidance communicated in a timely and effective way to all stakeholders. 		<ul style="list-style-type: none"> • HT to ensure staff, parents and pupils are aware 	

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
		<ul style="list-style-type: none"> DfE amended attendance codes to be used for those students absent with COVID-related symptoms/self isolating 			
2.4 First Aid/Designated Safeguarding Leads					
The lack of availability of designated First Aiders and Designated Safeguarding Leads puts children's safety at risk		<ul style="list-style-type: none"> Lists of qualified first aiders maintained Renewal dates reviewed and training scheduled if possible Additional staff trained in basic first aid where possible Plans in place for mutual aid from other Trust schools 		<ul style="list-style-type: none"> SBM to review renewal dates for training and arrange refreshers if possible 	
Safeguarding staff are unable to handle an increased number safeguarding concerns reported on return to school		<ul style="list-style-type: none"> Consideration given to freeing up time for DSLs on full reopening where possible Plans in place for mutual aid from other Trust schools 		<ul style="list-style-type: none"> HT to consider how to free up DSLs where possible 	
2.5 Medical rooms					
Medical rooms are not adequately equipped or configured to maintain infection control		<ul style="list-style-type: none"> First aid administered from staff within bubbles if possible with appropriate records maintained Social distancing provisions in place for medical rooms. Separate room or space designated for pupils with suspected COVID-19 whilst collection is arranged which ideally complies with latest recommendations. Sufficient PPE provided in medical rooms. Procedures in place for medical rooms to be cleaned after suspected COVID-19 cases, along with other affected areas, including toilets. 		<ul style="list-style-type: none"> SBM to ensure sufficient PPE ordered and available SBM to ensure arrangements for cleaning are in place 	
2.6 Communication with parents and carers					
Parents and carers are not fully informed of the health and safety requirements for the reopening of the school		<ul style="list-style-type: none"> As part of the overall communications strategy referenced in 1.12, parents kept up to date with information, guidance and the school's expectations on a regular basis using a range of communication tools. A COVID-19 section on the school website created and updated. 		<ul style="list-style-type: none"> HT to communicate regularly with parents/carers SBM to arrange for update of COVID-19 section on school website as necessary 	
Parents and carers do not fully understand their responsibilities should a child show symptoms of COVID-19		<ul style="list-style-type: none"> Key messages in line with government guidance reinforced on a regular basis via email, text and the school's website. 		<ul style="list-style-type: none"> HT to communicate regularly with parents and carers 	
2.7 Personal Protective Equipment (PPE)					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
<p>Provision of PPE for staff where required is not in line with government guidelines</p>	<p>H</p>	<ul style="list-style-type: none"> • Government guidance on wearing PPE understood and communicated to staff • Sufficient PPE procured. • Those staff required to wear PPE (e.g. first aiders, SEND intimate care; cleaning staff) instructed on how to put on and remove PPE carefully to reduce contamination and also how to dispose of them safely. • Staff reminded that wearing of gloves is not a substitute for good handwashing. • Staff reminded that wearing of face masks is not a substitute for distancing. 	<p>Y</p>	<ul style="list-style-type: none"> • SBM to ensure sufficient PPE is available • SBM to ensure staff wearing PPE are trained in its use 	<p>M</p>
<p>Wearing of face coverings in enclosed areas is not in line with government guidance</p>	<p>H</p>	<ul style="list-style-type: none"> • DfE guidance states that face coverings should be worn by staff and students in Year 7 and above in areas where social distancing cannot easily be maintained, including enclosed indoor spaces such as classrooms, corridors and communal spaces, unless exemptions are in place • Face visors or shields should not be worn as an alternative to face coverings by staff or students • This does not apply in situations where wearing a face covering would impact on the ability to take part in exercise or strenuous activity, for example in PE lessons. • Face coverings do not need to be worn by students and staff when outdoors on the premises. However, students will need to wear them when entering and leaving site as the paths don't allow for social distancing. • Process is in place for removing face coverings on arrival at school for those staff and students using them due to travelling on public transport • Behaviour policy has been amended to reflect requirements relating to face covering • Pupils, parents and staff are informed of the school's policy on face coverings and process for handling these while in school • Plastic bags are available for the storage of reusable face coverings where pupils or staff do not have their own 	<p>Y</p>	<ul style="list-style-type: none"> • HT to ensure that procedures for use of face coverings are communicated to pupils, parents and staff • HT to ensure that government guidance is monitored and school policy changed in line with guidance 	<p>M</p>
<p>2.8 Containment of outbreaks</p>					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
Action is not taken to contain infections within school	High	<ul style="list-style-type: none"> Appropriate procedures are in place to contain symptomatic individuals and these are communicated to staff Staff and parents are asked to notify the school of the outcome of any coronavirus test (positive or negative) Contact local health protection team for advice if notified that a pupil or staff member has received a positive test result School to follow advice provided by health protection team 	Yes	<ul style="list-style-type: none"> HT/SBM to communicate requirements to staff and parents HT to ensure Trust HQ is notified of any positive tests 	Medium
Pupils, staff and parents do not engage with Test and Trace	High	<ul style="list-style-type: none"> Key messages about the importance of engaging with Test and Trace in line with government guidance reinforced on a regular basis via email, text and the school's website. 	Yes	<ul style="list-style-type: none"> HT to communicate regularly with staff, parents and carers 	Medium
Schools do not take appropriate action when contacted by Test and Trace	High	<ul style="list-style-type: none"> Schools follow guidance issued by Test and Trace or PHE, including sending staff or pupils home as required 	Yes	<ul style="list-style-type: none"> HT communicate to staff the protocols if they are contacted by PHE or Test and Trace 	Medium
Schools do not maintain adequate records of interactions to facilitate Test and Trace	High	<ul style="list-style-type: none"> Records of staff absence are kept up to date Records are maintained of where groups are not being taught by their usual member of staff, or by a member of staff outside their bubble (including where supply staff have been used) Records of staff providing first aid to pupils are maintained Records are kept of any behaviour incidents where pupils or staff may have been in close contact e.g. where staff have restrained pupils, where physical altercations have taken place or where staff/other pupils have been coughed on/spat at Records of all visitors to school (including contractors) are maintained 	Yes	<ul style="list-style-type: none"> HT ensure that appropriate procedures are in place to keep these records 	Medium

3. Maximising social distancing and effective hygiene measures					
3.1 Pupil behaviour					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
<p>Pupils' behaviour on return to school does not comply with social distancing and hygiene guidance</p>		<ul style="list-style-type: none"> • Clear messaging to pupils on the importance and reasons for face coverings, distancing between and within bubbles reinforced throughout the school day by staff and through posters and floor markings. For young children or those with additional needs this is done through age-appropriate methods such as stories and games. • Staff model social distancing consistently. • The movement of pupils around school is minimised. • Large gatherings are avoided. • Break times and lunch times structured to support distancing between bubbles and are closely supervised. • Any group activities that requires pupils to be in close physical contact with each other, such as contact sports and playground games, to have risk assessments in place to mitigate against any increased risk • Behaviour policy revised to include compliance with COVID-19 requirements and communicated to staff, pupils and parents. • Risk assessment of individual pupils to be undertaken where likelihood of need for physical intervention or inability to follow age-appropriate arrangements for face coverings or social distancing is deemed high • Senior leaders monitor effectiveness of social distancing measures and review arrangements. • Messages to parents reinforce the importance of supporting the school's approach to face coverings and social distancing and the changes to the school's behaviour policies. • Pupils limit equipment brought into school to essentials only 		<ul style="list-style-type: none"> • SBM to audit requirements for signage and floor markings and record on school plan • SBM to ensure signage and markings are in place • HT to communicate arrangements and expectations to staff, parents and pupils • HT to review behaviour policy and arrange for section of the school website to detail the COVID-19 specific expectations and any escalation points • HT to ensure risk assessments for specific activities and individual pupils are undertaken where necessary 	
3.2 Classrooms and teaching spaces					
<p>The size and configuration of classrooms and teaching spaces does not support compliance with social distancing and hygiene measures</p>		<ul style="list-style-type: none"> • Classrooms arranged with pupils at desks facing forward as far as possible, with a 2m space between pupils and teacher if possible • Seating plans are in use to avoid pupils switching seats regularly 		<ul style="list-style-type: none"> • HT to make arrangements for new classes and timetables • SBM to arrange for site staff to reorganise teaching spaces where appropriate 	

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
		<ul style="list-style-type: none"> • All furniture not in use removed from classrooms and teaching spaces where there is space to store these items elsewhere. • Arrangements reviewed regularly. • Unnecessary items, soft toys, soft furnishings and intricate toys which are difficult to clean removed from classrooms and other learning environments where practicable and there is space to store these items elsewhere • Consideration given to whether planned activities can take place outside • Limit the sharing of resources/equipment between pupils as far as possible; where resources are shared, these are cleaned frequently or rotated to allow them to be unused for 48hrs (72hrs for plastics) between bubbles • Rooms ventilated as far as possible by opening windows/doors 		<ul style="list-style-type: none"> • HT to communicate arrangements to staff 	
3.3 Movement in corridors					
<p>Social distancing guidance is breached when pupils circulate in corridors</p>		<ul style="list-style-type: none"> • Circulation plans reviewed and amended. • One-way systems in operation where feasible. • Corridors divided where feasible. • Outdoor movement routes/external classroom doors used wherever practical • Circulation routes clearly marked with appropriate signage. • Any pinch points/bottle necks identified and managed accordingly. • Movement of pupils around school minimised as much as possible. • Where possible, pupils stay in classrooms and staff move around. • Lesson change overs staggered to avoid overcrowding. • Pupils briefed regularly regarding observing social distancing guidance whilst circulating. • Appropriate supervision levels in place. 		<ul style="list-style-type: none"> • HT to ensure a documented plan is in place setting out how the school will operate • SBM to ensure that sufficient signage is provided 	
3.4 Break times					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
<p>Pupils do not observe social distancing at break times</p>	<p style="background-color: red; color: black; text-align: center;">H</p>	<ul style="list-style-type: none"> • Break times are staggered. • No food or drink sold by canteens at break time • External areas designated for different groups. • Pupils reminded about social distancing between bubbles as break times begin. • Social distancing signage in place around the school and in key areas. • Consideration given to designating particular areas for particular bubbles • Supervision levels enhanced, especially with younger pupils, to support social distancing. • Any group activities that requires pupils to be in close physical contact with each other are avoided, such as contact sports, and playground games to be avoided to minimise transmission of infection or have risk assessments in place to mitigate against any increased risk 	<p style="background-color: yellow;">Y</p>	<ul style="list-style-type: none"> • HT to ensure a documented plan is in place setting out how the school will operate • SBM to ensure that sufficient signage is provided 	<p style="background-color: yellow;">H</p>
<p>3.5 Lunch times</p>					
<p>Pupils and staff do not observe social distancing at lunch times</p>	<p style="background-color: red; color: black; text-align: center;">H</p>	<ul style="list-style-type: none"> • Pupils reminded about social distancing between bubbles as lunch break begins. • Pupils wash / sanitise their hands before and after eating. • Additional arrangements in place, such as staggering lunch times, grab bags, creation of two dining halls to restrict mixing between bubbles • Eating areas cleaned after lunch. • Pre-ordering arrangements in place to minimise queues • Limited lunchtime menus to reduce time spent choosing options • Floor markings in place in dining halls to direct pupil flows and ensure social distancing is maintained by pupils from catering staff • Temporary suspension of biometric fingerprint system – pupil lunch accounts debited on ordering 	<p style="background-color: yellow;">Y</p>	<ul style="list-style-type: none"> • HT to ensure a documented plan is in place setting out how the school will operate • HT to ensure lunchtime arrangements are communicated to parents • SBM to ensure appropriate cleaning arrangements are in place • SBM to ensure that appropriate floor markings are in place (in discussion with Kitchen Managers) 	<p style="background-color: yellow;">H</p>
<p>3.6 Toilets</p>					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
Queues for toilets and handwashing risk non-compliance with social distancing measures	Red	<ul style="list-style-type: none"> • Waiting areas for toilets and hand washing / sanitising established and are monitored. • Pupils know they can only use the toilet one at a time and the areas will have additional supervision. • Pupils reminded to wash / sanitise hands thoroughly after using the toilet • Pupils reminded to maintain social distancing as far as possible when using toilets • Pupils encouraged to access the toilet during class/throughout the day to help avoid queues. • Toilets are cleaned frequently. • Monitoring ensures a constant supply of soap and paper towels. • Bins are emptied regularly. • Pupils reminded regularly on how to wash hands 	Yellow	<ul style="list-style-type: none"> • HT to ensure a documented plan is in place setting out how the school will operate • SBM to ensure appropriate cleaning arrangements are in place • SBM to ensure arrangements are in place for monitoring and replenishing hygiene supplies 	Yellow
3.7 Medical Rooms					
The configuration of medical rooms compromise social distancing measures	Red	<ul style="list-style-type: none"> • Social distancing provisions in place for medical rooms. • Designated room/space established for pupils with suspected COVID-19 to use whilst collection is arranged. • PPE worn by staff caring for suspected COVID-19 cases while they await collection if a distance of 2 metres cannot be maintained • If contact with the pupil is necessary, gloves, apron and a facemask worn by the supervising adult, with eye protection if there is a risk of splashing to the eyes if the pupil is coughing, spitting or vomiting, for example • Procedures in place for medical rooms to be cleaned after suspected COVID-19 cases, along with other affected areas, including toilets. 	Green	<ul style="list-style-type: none"> • SBM to ensure sufficient PPE ordered and available • SBM to ensure arrangements for cleaning are in place • HT to ensure staff are briefed on the new procedures 	Green
3.8 Reception area					
Groups of people gather in reception (parents, visitors, deliveries) which risks breaching social distancing guidelines	Red	<ul style="list-style-type: none"> • Numbers of visitors in reception are limited and strictly by appointment. • Social distancing guidance clearly displayed to protect reception staff (e.g. distance from person stood at reception desk). 	Green	<ul style="list-style-type: none"> • HT to ensure arrangements are communicated to staff and parents • SBM to assess requirement for floor markings/other protective 	Green

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
		<ul style="list-style-type: none"> Additional Perspex screening considered for reception areas if appropriate distance cannot be maintained Non-essential deliveries and visitors to school minimised. Arrangements in place for segregation of visitors. Reception staff well briefed on guidelines and restrictions for visitors 		<ul style="list-style-type: none"> measures and ensure arrangements are in place SBM to ensure Reception staff are briefed on the arrangements 	
3.9 Arrival and departure from school					
Pupils and parents congregate at exits and entrances, making social distancing measures difficult to apply		<ul style="list-style-type: none"> Start and finish times are staggered. The use of available entrances and exits maximised. Social distancing guidelines are reinforced at entrances and exits through signage, including external drop-off and pick-up points. Regular messages to parents stress the need for social distancing at arrival and departure times. 		<ul style="list-style-type: none"> HT to ensure a documented plan is in place setting out how the school will operate HT reinforce new procedures to parents SBM to ensure that sufficient signage is provided 	
3.10 Transport					
The use of public transport poses risks in terms of social distancing		<ul style="list-style-type: none"> Pupils, staff and parents reminded of the government guidance on use of public transport, including the use of face masks for pupils in the relevant age groups. 		<ul style="list-style-type: none"> HT to reiterate message regularly via appropriate communication channels 	
The use of non-public transport contracted by the school poses risks in terms of social distancing		<ul style="list-style-type: none"> DfE guidance is that pupils on dedicated school services do not need to comply with the distancing rules for public transport Where school arranges the transport, due diligence is undertaken to ensure the provider is making adequate arrangements to reduce COVID-19 transmission including regular cleaning Pupils are seated in groupings that reflect their classroom seating or bubbles as far as possible 		<ul style="list-style-type: none"> HT to ensure staff are aware of the protocols 	
The use of non-public transport not organised by the school (Brotherton bus) poses risks in terms of social distancing		<ul style="list-style-type: none"> Pupils over 11 should be encouraged to wear face coverings if appropriate Pupils should be encouraged to sit with siblings or other pupils from their existing bubbles as far as possible Pupils should be encouraged to use hand sanitizer on boarding if available 		<ul style="list-style-type: none"> HT to arrange for recommendations to be communicated to parents 	
3.11 Staff areas					

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
The configuration of staff rooms and offices makes compliance with social distancing measures problematic		<ul style="list-style-type: none"> Reconfiguration of staff rooms and offices where appropriate to allow for social distancing between staff Staff lunch times staggered where possible Meeting rooms used as additional staff rest areas where social distancing cannot be achieved in existing staffrooms 		<ul style="list-style-type: none"> HT to ensure a documented plan is in place setting out how the school will operate SBM to ensure that all staff areas have been assessed and appropriate measures put in place SBM to ensure that sufficient signage is provided in staff areas to remind staff about social distancing HT to brief staff on social distancing arrangements 	
3.12 Visitors and meetings					
Visitors to school pose risks in terms of social distancing and transmission of infection		<ul style="list-style-type: none"> Avoid non-essential visitors to minimise face-to-face contact Remote meetings to take place where possible Meetings to take place outside school hours if possible Staff member hosting visitor to take responsibility for ensuring the visitor is aware of the school's risk assessment and rules relating to their visit Visitors reminded not to visit school if displaying COVID-19 symptoms or if symptoms are being displayed by a member of their household and to follow the self-isolation guidance provided On site meetings to follow social distancing guidelines using suitably sized meeting space with adequate ventilation. All meeting rooms have hand sanitiser, tissues and wipes available. Hospitality to be provided to visitors attending site using disposable cups / water bottles. 		<ul style="list-style-type: none"> HT to brief staff on new arrangements SBM to ensure adequate hygiene supplies are located in meeting rooms 	
3.13 Minibus					
Use of the school minibus poses risks in terms of social distancing and transmission of infection		<ul style="list-style-type: none"> Use of school minibus to be restricted. Where staff are required to drive school minibus, hand washing to take place before and after use and staff advised to open windows for ventilation 		<ul style="list-style-type: none"> SBM to ensure arrangements are communicated to relevant staff 	

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
		<ul style="list-style-type: none"> Minibus to have hand sanitizer and wipes available – staff asked to wipe over high use areas (steering wheel, door handles, gear stick) before travel 			
3.14 Offsite Visits					
Offsite visits (including home visits) poses risks in terms of social distancing and transmission of infection		<ul style="list-style-type: none"> Visits only take place where social distancing guidelines can be maintained, including transportation to and from the location. Staff leading educational visits to ensure that risks associated with COVID-19 are included as part of the risk assessment Staff not to enter pupils' homes during wellbeing checks DfE guidance states that no overnight or foreign trips to take place until further notice 		<ul style="list-style-type: none"> HT to brief staff on new arrangements 	
3.15 Supply, Casual or Peripatetic Staff (including sports coaches)					
Supply, casual or peripatetic staff are unclear on the hygiene and social distancing requirements		<ul style="list-style-type: none"> Arrange briefing for supply, peripatetic or casual staff, including aide memoire document, on arrival in school setting out expectations in relation to social distancing and hygiene measures Use same external staff where possible to build familiarity 		<ul style="list-style-type: none"> HT to ensure that those booking supply are clear on what information needs to be provided to supply staff 	
3.16 Uniform					
Pupils arrive for school not in correct uniform		<ul style="list-style-type: none"> Communication with parents to ensure that they are aware that normal uniform arrangements apply Local arrangements in place where appropriate for pupils to attend in PE kit on PE days 		<ul style="list-style-type: none"> HT to remind parents of the uniform arrangements from March 	
3.17 Curriculum specific					
Risks associated with performing arts lessons are not adequately addressed		<ul style="list-style-type: none"> Higher risk activities are substituted for lower risk activities where possible No large group activities such as choirs, ensembles or performances to take place Risk assessments for EPA activities revised to take account of COVID-19 risks 		<ul style="list-style-type: none"> HT to ensure that staff are aware of the protocols 	
Risks associated with PE lessons are not adequately addressed		<ul style="list-style-type: none"> Risk assessments for PE activities revised to take account of COVID-19 risks 		<ul style="list-style-type: none"> HT to ensure that staff are aware of the protocols 	

Areas for concern	Risk rating prior to action (H/M/L)	Control measures	In place? (Y/N)	Outstanding Actions/Comments	Residual risk rating (H/M/L)
		<ul style="list-style-type: none"> Higher risk activities are substituted for lower risk activities where possible Mitigation is put in place including physical distancing, playing outside, limiting group sizes, cleaning equipment thoroughly between groups No contact sports to take place Distancing and hygiene measures observed as far as possible in changing areas once practical lessons recommence
