RE: Y11 Study Leave and rewards trip

Dear Parents/Carers,

I would like to take the opportunity to congratulate students for their impeccable behaviour so far in the GCSE examinations and to remind parents, carers and students that they are still expected in school until the end of this week. We have decided that students will have study leave from Monday 13<sup>th</sup> June. Students will still be expected to attend the revision sessions and, of course the exams for the subjects that they study, until their final examination on Thursday 23<sup>rd</sup> June. There will also be revision materials on Google Classrooms that students can access for home study. The table below outlines when students are expected to attend school for both revision and exams. All students are required in school for the science revision and the science exams and there are revision sessions and exams in both history and geography, depending on which subject your child studies.

After the final exam on Thursday 23<sup>rd</sup> June and we will have the leaver's assembly in the theatre including a celebration directly after, with an ice cream van!
