

21<sup>st</sup> May 2021

Dear parents and carers,

As you know we are no longer insisting our young people wear face coverings in the classrooms. We continue to observe our other protective measure in line with government guidance such as student bubbles, sanitising hands and ventilation. One other protective measure is twice weekly lateral flow testing; please can we remind all parents/carers of the importance of continuing to home test twice weekly as this is another way to keep our community safe. Results (positive, negative or void) then need to be submitted to the NHS and Airedale Academy online sites. Please use the links below:

<https://www.smartsurvey.co.uk/s/AiredaleAcademyLFDTestResults/>

<https://www.gov.uk/report-covid19-result>

In addition, if your child has tested positive, please can we ask you to also email [covid@airedaleacademy.com](mailto:covid@airedaleacademy.com) as soon as possible, so that the necessary arrangements can be made.

Should you need any further home testing kits, students can request these from the hub or Head of Year, or please contact our office.

Thank you in advance for your support with this; it is very much appreciated.

Yours sincerely

Miss L Proctor  
Principal
