The uniform is both practical and smart and a high standard of uniform is an important feature of Academy life. Students' uniform is important to Airedale Academy because it allows our students to look respectable and be proud of being part of our school community. We notice when people look smart and our students are often praised by visitors, members of the public and the local community for the way they look. Our uniform is a clear message to everyone that we care about ourselves and each other. Wearing the correct uniform also serves to help prepare our students for a successful professional life outside of education.

The support of parents and carers is essential to this process and if parents/carers are unsure of the correct uniform, they are encouraged to bring their purchases into school with the labels intact so that the Academy can check their suitability before they are worn.

The Academy will not allow any item or fashion that would undermine the ethos or discipline of the Academy. On the following pages are lists of items that are deemed acceptable or unacceptable as school uniform. Any items described as plain must not have any patterns, marking or logos of any sort.

All decisions about uniform rest with the Principal and Academy Council.

Equalities

Airedale Academy values and welcomes ethnic and religious diversity amongst its students. Parents who wish to discuss how they can address their religious or cultural requirements while still complying with the uniform policy should discuss these matters with the Principal.

Families experiencing difficulties in obtaining the correct uniform for students are advised to contact the Academy to see how they can be supported.

Incorrect Uniform Protocol and procedures for students

If a student arrives with incorrect uniform of any kind, they will be stopped at the school gates and taken to the Study Area where their uniform issue can be addressed. Staff in the study area will:

1. Contact parents/carers to arrange to remedy the situation wherever possible.
2. Lend clean uniform to the student if a parent/carer cannot bring uniform to the school. Students will be required to sign for borrowed items and return them at the end of the school day.
3. Where necessary, give out wipes to remove excessive makeup.
4. Keep the student in the study area for the day if no remedy is available.
5. Students will not be sent home.

Adverse weather

If your child has a temporary medical condition, for example a broken arm, and a risk assessment suggests it is safe for them to be in school, the Principal may agree to relax the uniform rules for an agreed period of time.

Refusal to comply with the uniform rules may result in internal sanctions being issued and parents/carers being invited in to meet with Progress Leaders.

Wearing the Correct PE Kit

Below is a compulsory list of what each student should have as their PE kit:

Essential

- Airedale Academy PE shirt
- Airedale Academy shorts
- Airedale Academy socks

Optional

- Airedale Academy tracksuit bottoms
- Airedale Academy jumper

Basic PE kit requirement

- For PE lessons, students must have a pair of suitable trainers/football boots – school shoes and pumps are unacceptable in PE.
- All students (boys and girls) are advised to have a pair of football boots and shin pads for when they have football or rugby. The boots will give them extra grip required for turning quickly and for speed in both of these sports and are therefore recommended.
- Sometimes items of clothing get misplaced or lost; this can be prevented by placing name tags or by writing student names in clothing.

Optional winter

- Any black long-sleeved skin (top)
- Any black skin leggings (no cotton leggings)
- To note for girls, leggings are not allowed in any PE lessons.
- Advisable footwear
- Students advised to wear football and rugby boots when playing football/rugby lessons.

PE Department Policy regarding PE kit and excuse notes

We are aware that, on occasions, students may be unable to take part in full practical activities, it is vital, however, that we adhere to the following policy:

- **Any student wishing to be excused from practical activities must bring a note signed by their parent/carer.**
- **Even when excused, they must bring their full PE kit appropriate to the activity; in most circumstances they will be able to adopt one of the following roles: official, coach, leader, observer or even join a different activity group.**

Adverse weather

In adverse weather conditions, such as heavy snow, students and parents/carers will be notified of changes to the uniform rules for that day via text or social media. In summer, during hot weather, the Principal may allow students to remove their blazers around school. However, students will be required to have their blazer with them in school at all times and normal sanctions will apply.

Information around where and how to purchase will be announced in due course and more information will be announced on Transition Evening in July.
