### Student LFD Testing

Dear Parents and Carers

I hope that this letter finds you and your family well.

For any **families who missed the deadline to provide consent** for their son / daughter to participate in our testing programme, please be reassured that you can still access our Test Site for LFD tests for your child(ren) should you wish to do so.

Please provide consent by completing the online form found at this link, please disregard any previous links sent as they have now closed:

<https://www.smartsurvey.co.uk/s/XDRYSN/>

We will be unable to test your child if you have not provided consent and consent must be given for every child in your family on a separate form as per DFE and Public Health guidance. Please refer to our Privacy Notice on testing found at this link:

<https://www.airedaleacademy.com/coronavirus/>

Please scroll down the page and the notice is located under 23<sup>rd</sup> February.

When we have received consent, we will process this as soon as we can and issue testing appointments. Once testing has taken place, we are able to supply students with home kits to take home; further details of this process will follow in due course.

Yours faithfully

---

**Miss L Proctor**  
Principal
